****PE clothes can be purchased from the Centennial PTSA (Shirts-\$10; Shorts-\$15) at school registration in August.***

** During the school year, PE clothes rentals will be available for students who forget their PE clothes. Students who do not wear the required PE dress are not able to participate in the day's activity and will need to walk around their teacher's activity area. This will result in a grade reduction. In order to earn these points back, students will need to complete a PE make-up (before/afterschool).*
